

Colorado Propane Gas Association

Dispenser, Associate and Individual Membership Application 2018

I/We hereby apply for membership in the Colorado Propane Gas Association and agree to adhere to the membership standards as printed on the reverse side of this application. The category checked below represents our classification.

- REFILLER/
DISPENSER** Propane refiller or dispenser whose signature below certifies that the sale of propane is not the company's primary business and that total annual propane sales total less than 100,000 gallons per year. Non-voting membership - does not include membership in National Propane Gas Association. One membership per business outlet. \$50.00
- ASSOCIATE** Person, firm, corporation or association not qualifying for Active membership, but interested in the purposes of the Association. This category includes voting privileges but does not include membership in the National Propane Gas Association. One associate membership per company. \$300.00
- INDIVIDUAL** Any person employed by an active member or associate member of the Colorado Propane Gas Association. This is a non-voting membership. \$150.00

Nondeductible Dues: Membership dues are not deductible as charitable contributions, but may be deductible as an ordinary and necessary business expense subject to restrictions imposed as a result of association lobbying activities. Under the 1993 Federal Tax Budget Act, individuals who belong to a not-for-profit Association may not deduct for income tax purposes the portion of their membership dues spent on federal or state lobbying activities. Thus, the portion of the 2018 dues not tax deductible is 33%.
